

Who Will Be The Next ENTYMOLOGIST?

2011 Summer Reading—Catch the Reading Bug!!

- All reading counts! Try newspapers, magazines, books, user manuals, pamphlets, cereal boxes, trading cards, etc.
- It counts if someone reads to you or even if you read to someone else.
- If you participate in another summer reading program, such as the one through the public library, feel free to count that reading towards this program too!
- Remember, our goal is to begin a buggin' habitat, so we need your help!
- All students who turn in this reading journal in August will receive a token for the student store from the PTA!

Name: _____

Grade: _____ 2010-2011 School Year

Teacher: _____ 2011-2012 School Year

My Summer Reading Goal is:

_____ Bugs
(20 minutes = 1 bug)
